BUREAU OF THE MINT,

Washington, D. C., December 14, 1887

Sir:

My attention has been directed to Voucher No. 2 in the account of M.F. Ludington, Depot Quartermaster, Philadelphia, the same being a receipt by Jacob B. Eckfeldt, Assayer of your Mint, for \$12. for services rendered in assaying gold lace submitted as samples of deliveries to be made on account of contracts.

I find by referring to the memorandum accompanying Certificate of Deposit No. 6729, dated December 31, 1886, that the Assayer certifies to have received \$4. from the Quartermaster's Department; which is included in the amount of the certificate. You will please inform me whether the remainder, \$8., has been deposited in the Treasury.

Very respectfully,

  
Director of the Mint.
